

2018 Seaborg Symposium Poster Session

Saturday, November 10, 2018

On Saturday, November 10, 2018, we will hold the 2018 Seaborg Symposium and Medal Award dinner. Undergraduate and graduate students and postdocs are invited to submit abstracts for the Seaborg Symposium poster session. Poster presenters are invited, as our guests, to attend that evening's reception and Seaborg Medal Award dinner, at which the poster award winners will be announced. This year only a limited number of posters will be accepted. Should there be more submissions than can be accommodated, preference will be given to posters focused on this year's Seaborg Symposium topic - biophysics and structural biology.
